*Through a Memorandum of Agreement with the Colville Tribes, the Washington Department of Fish and Wildlife(WDFW) , Washington Department of Natural Resources(WDNR) and Washington State Parks and Recreation Commission(WSPRC) have provided a tribal version of the Discover Pass called an Annual Pass, which will be distributed to the Colville Tribes at no cost, for display in vehicles operated in or parked on State managed recreation lands by enrolled members of the Colville Confederated Tribes who are engaged in off-reservation rights that have been reserved through Federal Treaty or Executive Order. The State is making Annual Passes available for use by tribal members to avoid the inconvenience of citations based on failure to display an Annual Pass, when tribal members' access state managed recreation lands in order to exercise reserved off-reservation rights.*

*WSDW, WSDNR and WSPRC combined, manage over 1,000 parks, campgrounds, boat launches, trail systems and trailheads and Colville tribal members utilize some of those areas for cultural and recreational activities. Vehicles operated in or parked on State managed recreation lands are required to display an Annual Pass and to be visibly displayed in the front windshield of any motor vehicle or otherwise in a prominent location for vehicles without windshield when and only when engaged in exercise of off-reservation rights. Annual Passes issued to individual enrolled tribal members of the Tribe are transferable to any vehicle being used by such members. Annual Passes may also be distributed to Tribal staff engaged in co-management activities on state managed recreation lands. **The Annual Pass expires biennial on March 31 and is required to be re-issued every two years.***

*Annual Passes are available at the Parks and Recreation office located on the Mt Tolman Complex, Keller, Washington. A copy of your tribal identification is required along with current address and phone number and can be faxed to 634-3150, emailed to [shannon.marchand.pnr@colvilletribes.com](mailto:shannon.marchand.pnr@colvilletribes.com) or mailed to Parks and Recreation, PO Box 150, Nespelem, WA 99155.
