SECTION TEN
TIME OFF/EXTENSION OF TIME

Time is of the essence for all time requirements under this Contract. SECTION THIRTEEN

SECTION FOURTEEN WORK CHANGES

CIHA reserves the right to order Work changes in the nature of additions, deletions, or modifications, without invalidating the CONTRACT, and agrees to make corresponding adjustments in the Contract Price and time for completion. Any such changes will be authorized by the written change order signed by the Contract Officer. The change order will include conforming changes in the CONTRACT and completion time. Work shall be changed, and Contract Price and completion time shall be modified only as set out in the written change order. Any adjustments in the Contract Price resulting in a credit or charge to CIHA shall be determined by the mutual agreement of the parties to this CONTRACT, prior to starting the work involved in the change.

SECTION FIFTEEN TERMINATION

This CONTRACT may be terminated by CIHA as follows:

- a. **Termination for Cause.** CIHA may terminate this CONTRACT for cause upon written notice provided to Contractor specifying the cause of said termination. "For cause" means a breach of or default under any material provision of this CONTRACT. Failure to terminate for one instance of breach or default shall not be deemed a waiver of the right to terminate for a subsequent occurrence of the same or another breach or default. The failure by Contractor to perform any of its obligations hereunder, which failure continues uncured for a period of 30 days following CIHA's written notice to Contractor thereof, shall constitute an "Event of Default by Contractor" under this CONTRACT. After any Event of Default by Contractor, Contractor shall reimburse CIHA for all reasonable costs and expenses (including attorneys' fees) of enforcement of CIHA's rights and remedies under this Section.
- b. **Termination for Convenience.** Notwithstanding any other provision of this CONTRACT, CIHA may terminate this CONTRACT in whole or in part when it determines that continuing the CONTRACT is no longer in the best interest of CIHA. Such termination will be effected by the delivery of written notice to the Contractor of a Notice of Termination specifying the extent to which the CONTRACT is terminated and the effective date of the termination. If CIHA terminates for convenience under this clause, CIHA shall pay to Contractor all reasonable and proper payment for services provided up to the date of the termination provided that the Contractor submits an invoice to CIHA in writing with appropriate documentation.

SECTION SIXTEEN POSSESSION UPON SUBSTANTIAL COMPLETION

CIHA reserves the right to take over and utilize areas of the Work site which Contractor's Work has been substantially completed, although other portions of the contracted Work remain to be finished. In such an

instance all Contractor's obligation under this CONTRACT shall remain in force and Contractor will remain responsible for the entire Work covered by this CONTRACT until the Contract Officer has issued a Certificate of Completion:

SECTION SEVENTEEN
DISPUTE RESOLUTION

- a. "Claim" as used in this Section, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of CONTRACT terms, or other relief arising under or relating to the CONTRACT. A claim arising under the CONTRACT, unlike a claim relating to the CONTRACT, is a claim that can be resolved under a CONTRACT clause that provides for the relief sought by the claimant. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim. The submission may be converted to a claim by complying with the requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.
- b. All disputes arising under or relating to this CONTRACT, including any claims for damages for the alleged breach thereof which are not disposed of by CONTRACT, shall be resolved under this clause.
- c. All claims by the Contractor shall be made in writing and submitted to the CIHA Contracting Officer for a written decision. A claim by CIHA against the Contractor shall be subject to a written decision by the Contracting Officer.
- d. The Contracting Officer shall, within 60 days after receipt of the request, decide the claim or notify the Contractor of the date by which the decision will be made.
- e. The Contracting Officer's decision shall be final unless the Contractor appeals in writing to a higher level in CIHA in accordance with CIHA's policy and procedures. In the event that CIHA does not have a policy and procedures for such an appeal, an appeal may be made to the Board of Commissioners or other governing body of CIHA. Such appeal must be made within 30 days after receipt of the Contracting Officer's decision.
- f. The Contractor shall proceed diligently with performance of this CONTRACT, pending final resolution of any request for relief, claim, appeal, or action arising under or relating to the CONTRACT, and comply with any decision of the Contracting Officer.
- g. Nothing in this CONTRACT, or any action taken by CIHA or any of its agents or employees in connection with this CONTRACT shall be deemed to be a waiver of the sovereign immunity of CIHA unless such waiver is explicit and in writing, and fully complies with all CIHA, Tribal, and federal requirements for the waiver of such immunity.
- h. The Tribal Court of the Colville Confederated Tribes shall have exclusive jurisdiction over any suit that may be filed relating to the CONTRACT, provided that this designation shall not be deemed to be a waiver of the sovereign immunity of CIHA.

SECTION EIGHTEEN
INDIAN PREFERENCE (SECTION 7(b) CLAUSE)

- a. The Work to be performed under this CONTRACT is on a project subject to section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)) (the Indian Act). Section 7(b) requires that to the greatest extent feasible:

- d. Contractor shall include the section 7(b) clauses set forth in Section Eighteen of this CONTRACT in every subcontract in connection with the Work, and shall, at the direction of CIHA take appropriate action pursuant to the subcontract upon a finding by the recipient or HUD that the subcontractor has violated the section 7(b) clause of the Indian Act.

Such laborers and mechanics shall be paid the appropriate wage rate on the wage determination for the classification of work actually performed, without regard to skill. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination, including any additional classifications and wage rates approved by HUD under this Section Nineteen shall be posted at all times by the Contractor and its subcontractors at the site of the Work in a prominent and accessible place where it can be easily seen by the workers.
- (ii) (A) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the CONTRACT shall be classified in conformance with the wage determination. - c. **Withholding of funds.** The Contracting Officer, upon his/her own action or upon request of HUD, shall withhold or cause to be withheld from the Contractor under this CONTRACT or any other contract

subject to HUD-determined wage rates, with the same prime Contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics employed by the Contractor or any subcontractor the full amount of wages required by this clause. In the event of failure to pay any laborer or mechanic employed under this CONTRACT all or part of the wages required under this CONTRACT, the Contracting Officer or HUD may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment or advance until such violations have ceased. The Public Housing Agency or HUD may, after written notice to the Contractor, disburse such amounts withheld for and on account of the Contractor or subcontractor to the respective employees to whom they are due.

d. **Records**

(i) The Contractor and each subcontractor shall make and maintain for three (3) years from the completion of the Work records containing the following for each laborer and mechanic:

- (A) Name, address and Social Security Number;
- (B) Correct work classification or classifications;
- (C) Hourly rate or rates of monetary wages paid;

If the Contractor or any subcontractor fails to make the required records available, HUD or its designee may, after written notice to the Contractor, take such action as may be necessary to cause the suspension of any further payment, advance or guarantee of funds.

e. **Apprentices and Trainees**

(i) Apprentices and trainees will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in:

Apprentices and trainees shall be paid fringe benefits in accordance with the provisions of the registered or approved program. If the program does not specify fringe benefits, apprentices/trainees must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification.

(iii) The allowable ratio of apprentices or trainees to journeyman on the job site in any craft classification shall not be greater than the ratio permitted to the employer as to the entire work force under the approved program.
