

Colville Reservation Residence We Need Your Help!!!

- Go to <https://broadbandmap.fcc.gov>
- Type in your address
- Review information
- If information is incorrect submit a "challenge"

We are trying to get federal funding to improve broadband access. (That means we are trying to get you fast reliable internet for you, **help us help you!**)

WHAT ARE THE TYPES OF CHALLENGE?

- **Availability Challenge:** If internet service is available at your residence is incorrect, you can dispute it by clicking on the "availability Challenge" link on the right side of the map and submitting the form.
- **Mobile Challenge:** If the map of mobile coverage submitted by your provider seems incorrect, you can dispute it by taking a speed tests on your mobile phone with a Speed Test app, available for both Android and iOS. Make sure to select the Challenge Speed Test option and to take the test while either outdoors or in a vehicle.
- **Location Challenge:** If the information about the location point of your home or other location is incorrect, you can submit a "location Challenge" to correct the information location. The link to do this is to the right of the address map. To add a location should be and then click the "Challenge Location" button.
